

Carrickmannon Celebrates World Book Day

Next week marks the 25th anniversary of World Book Day and to celebrate we will be carrying out activities in class throughout the week culminating in a very special celebration on Friday 4th March.

We will be having an activity day with Liz Weir (Storyteller), Sentinus (STEM in Action), Siobhan Annang (Releasing Rhythms) and Anne Adams (Art) where the children will rotate around the four stations throughout the morning.

In order to get the first activity started at 9am we would ask that the children are dropped to school between 8.35am and 8.45am.

They should NOT bring school-bags, only lunch-boxes please.

We are having a very special visitor join us for part of the morning and we would ask that all pupils attend in their formal (shirt and tie) uniform.
